Cross stitch chart

The chart to work from is on page 3

The picture below is just an overview. There every square has its symbol and color.

Size	19 x 24 stitches
Fabric	14 ct (14 stitches/inch)
Finished size	1.4 x 1.7 in
Colors	5
Total stitches	152

Each square is one cross stitch. The arrows on the edges mark the center - start in the middle of your fabric. Bold lines every 10 stitches make counting easy.
